Class Photos & Costume Information Week

Costumes are slowly trickling in! We will be taking class photos the week of May 17-20. Photos will be taken during your regular class time with the exception of Performing teams.

Costume viewing week will be held for all regular classes the week of April 26-29.

Teachers will spend the last 20 minutes of class explaining how each costume is put together, how to style your child's hair and what make-up to apply.

You won't want to miss this!

You are invited to an evening of dance!

Everyone is invited to come to our Performing Team Debut Show. This is a fun evening of dance for all ages to enjoy. You are sure to be entertained by our youngest Sugar Baby team through our older and very talented Xtreme team.

If you've never seen DAC competition lines, this is a great opportunity to see what they're all about. Many dancers in our recreational program have noticed that they have a special talent or have developed a passion for dance and would like to explore 'dance team'. For these dancers, DAC, offers performing teams to take your dance training to a higher level.

At this Performing Team Show, our competition performing teams will showcase their tap, jazz, ballet, and lyrical dances.

Please join us
