

DANCE ARTS CENTRE PRESENTS

COMPETITION TEAM RECITAL EXPERIENCE JUNE 7 & 8, 2025

This year, we are proud to celebrate the 45th recital of Dance Arts Centre, a milestone that honors our rich legacy of passion, artistry, and community. For 45 years, we have nurtured countless dancers, building a foundation of excellence and joy that continues to inspire future generations. As we reflect on the incredible journey of DAC, we are filled with gratitude for the families, dancers, and staff who have made this moment possible. Here's to celebrating our past, embracing the present, and dancing boldly into the future!

When is Recital?

Our recitals will be held at the Chanhassen High School on June 7 & 8. We endearingly refer to this as "Recital Weekend"! We will be doing show assignments for our team dancers closer to spring break. Recital showtimes listed below.

10:30am (red show)

1:00pm (orange show)

5:30pm (yellow show)

Sunday, June 8

12:00pm (green show)

2:30pm (blue show)

5:00pm (purple show)

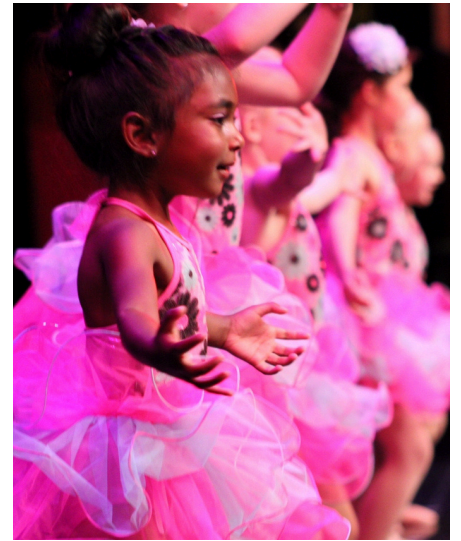

Recital Package

We have a recital package that offers the most value for our families, while covering the expenses of bringing a full size production stage.

The recital package is \$79 per dancer that will be auto-billed with your February tuition payment on 2/8/2025.

Included in your Recital package will be:

- A digital download of the whole performance (\$40 value)
- A recital tee shirt for your dancer (\$25 value)
- A recital program for each guest (\$10+ value)
- Recital fee (\$35)
- Live stream for your family and friends (\$25 value)

Recital Tickets

Tickets will be sold through an online ticket company called Tutu Tix. Here you can pick your seats and purchase tickets for your group to sit together. Tickets are \$18 for recreational shows (red, green & blue shows) and \$24 for team shows (orange, yellow and purple shows). Tickets go on sale May 5th and a link to order will be sent prior.

Recital Souvenirs

You can plan for a special Recital gift for your dancers. Recital souvenirs such as candy gifts, flowers, unicorns and teddy bears are a popular tradition for your child's dance recital experience. More details will come closer to recital time.

As we celebrate 45 years, we are dedicated to delivering a unique and unforgettable performance that will be cherished for a lifetime.

Let's make our 45th recitals the best yet!
