## CENTRE

CELEBRATING 42 YEARS

CHANHASSEN HIGH SCHOOL THEATER

Jill Rieken

Dear Dancers, Parents, Friends and Family,

What an incredible year this has been! This season we were grateful to return to our full schedule, welcome many new families and witness the “joyful chaos” of getting back into our routines.

The dancers were so generous with their spirit and enthusiasm for dance. I love watching them grow in their skills and confidence. They really inspire me on a daily basis!

I must recognize and share my heartfelt thanks to our amazing staff, who go above and beyond every day to care for our students and their families. Their dedication to live out the DAC motto, “Character First” also inspires me!

Thank you, our audience members, for your commitment to your kids and to our studio. The data has repeatedly shown that students who participate in the performing arts go on to higher achievement academically, more meaningful contributions to their communities, and are happier, more fulfilled adults. Simply put, the arts matter.

I am wowed by the generosity of all of our parent volunteers this season. There have been so many of you supporting us with your time and talents. You are a big part of making our DAC family a special community!

A special thank you to my mom who has always encouraged me in my dream of dancing since I was a young girl! From the time she started teaching me in our home dance studio to now, she has always believed in me and that has meant so much to me.

It is my hope that the dancer’s who are performing for you today will touch each and every one of you in a very special way.

All My Best,

*Jill*
